SPECIAL ELECTION
STATUTORY MEASURE

PROPOSITION C
Proposed by 96th General Assembly
(Second Regular Session) S 5 SC 1 HCS
House Bill 1764
Shall the Missouri Statutes be amended to:

• Deny the government authority to penalize citizens for refusing to purchase private health insurance or infringe upon the right to offer or accept direct payment for lawful healthcare services?

• Modify laws regarding the liquidation of certain domestic insurance companies?

It is estimated this proposal will have no immediate costs or savings to state or local governmental entities. However, because of the uncertain interaction of the proposal with implementation of the federal Patient Protection and Affordable Care Act, future costs to state governmental entities are unknown.

SPECIAL SCHOOL LEVY ELECTION
MEADOW HEIGHTS R-II SCHOOL DISTRICT

PROPOSITION 1
Shall the Board of Education of the Meadow Heights R-II School District, Missouri, be authorized to increase the operating tax levy ceiling by $0.50 per one hundred dollars of assessed valuation for the purpose of retaining qualified staff, maintaining its facilities and meeting operating expenses?

If this proposition is approved, the adjusted operating levy of the School District is estimated to increase from $2.75, currently, to $3.25 per one hundred dollars of assessed valuation for the 2010 Tax Year and could be applied to the assessed valuation for each year thereafter.
